Hope it works out I know
Stephen wants to do the right
thing and my best for all 3

Today 11:49 AM

Steve left me an accidental
voicemail at 4:30am which he
shouldn't have- he was talking
to some girl.

What did he say?

Ok no worries I just assumed from the message- seriously not a big deal. Hopefully his lawyer gets back to mine today.

My mom is furious I want to leave and stopped getting me dinner last night and have no care to drive- so just eating cereal for past 48 hours

*car

Last night they told me I needed to leave ASAP but I told them I need time BC of Evie

Yes hopefully oh that's awful she really doesn't seem too nice. Isn't there A store or Postmates. Are they nice

Is there a taxicab or anyway to get a car.

No they love evie so much-
my mom doesn't ever want
her to leave. But I seriously
cannot stand living here. No
real delivery here but will ask
my dad later will figure it out.

You don't need anymore
stress

It really hasn't been that bad-
it only gets bad when I say I
want to leave. Evie gets a lot
of love

She's a cutie that's for sure.
Wish you were here

Is Steve doing ok with the
security stuff?

I would love to go there and I have someone to help me

I can't believe they are acting like you are a child. Hopefully you & S talk and get agreement.

Well Steve is the one who said I can't be left alone with her. It's fine. I'm happy he found a new girl to be with- honestly I don't have any bad feelings towards him despite the process. I just want it to be over.

Didn't know you weren't to be alone. What new girl. Had mess with dishwasher water coming out as drain clogged
