

20 Q. Did you text Dr. Gopal and tell him that you had  
21 administered Seroquel to Mr. Russell?

22 A. Yes, I did. And I told a few other people that I had done  
23 it, and I actually had the intention to one day tell  
24 Mr. Russell as well, but at the time, like, I did it because I  
25 felt like I had no choice. But one day I also intended to tell  
26 him.

27 Q. Can you turn to tab 31 in Petitioner's exhibit list?
