I think God will understand, at least you have people around that care, given your comment you feel that you don't want to burden others . I'm Only here because I'm all the family my son has. Though I'm all but done.im waiting on God or chemicals that stop what I feel is hell. I am sorry though that you are so sad. Look up MTHFR gene epigenetics - this gene can switch on. And off if not enough B. Vitamins on board causing mood to plummet.

That's not news

No it kind of is bc baby is a lot of work and not sure how I can build or keep business- and he's taken back his offer to support me here- only if I am there.

To be a "family" or else

Lawyer up

Well he is going to buy a \$2.3 million dollar apartment in sf and put it in a trust under Evie's name I can also control

So his mom said to just € 2/20/18, 12:29:09 PM weeks then can always sell it and say 📌

Trusts can be altered

In what way?

You're losing to him already

You're being strung along and manipulated

Yeah well he's pushing me into a corner- my dad said having the baby was my idea and my problem. So I have to do whatever to survive

If I sue him for child support I will get like \$2k a month

Which is not enough to live off of

I'm better pretending I want to be with him and getting the most while I can- then leaving him for good.

Okay, have a fun 40 yrs

More like 6 months

That makes no sense

Why?

Bc trusts can be altered?

I think he will also marry me if I submit to him then I can just divorce him

I really mostly hate him at this point- not sure I can manage to hold myself back. But would be the sweetest revenge if I could

Deputy Clerk

CASE NUMBER:

FPT-18-377425

**NOTICE OF NATURE AND AVAILABILITY OF ALTERNATIVE DISPUTE
RESOLUTION METHODS IN FAMILY LAW MATTERS**

**A. Superior Court and Family Law Department Policy Recommending Use
of Alternative Dispute Resolution Method in Family Law Matters**

The San Francisco Superior Court and its Family Law Department strongly recommend the use of alternative dispute resolution methods in family law matters. This Notice is intended to inform parties and counsel about the nature and availability of such methods. All parties and all counsel in such matters must file and serve a signed copy of this Notice in the manner prescribed in Rule 11.17 of these Rules.

The term "alternative dispute resolution" (sometimes called "ADR") refers generally to methods of resolving disputes without going through formal adversarial court proceedings. Although there are several methods of ADR, the two methods to which this Notice applies are mediation and collaborative law (also called collaborative divorce and collaborative practice).
